Dear Beth Shalom Members,

Here is our very first Member Services Directory.

In putting this together I realized I had no idea what so many of our members did in their personal lives outside of the synagogue.

Please take time to go through this booklet and familiarize yourself with the different professions and services being offered by members of our congregation. Then keep the booklet handy so next time you need one of them you will know how to find them.

I hope you will support these people whenever possible. When we support each other, we support our kehilla. Let's try to keep it in the family whenever possible.

Thanks

Adult Education Classes

Come learn with us! We would love to help you explore Judaism with our talented leaders. We have opportunities for all levels of knowledge and all of our classes are open to the community.

Melton Learning for Wondering Adults *with Rabbi Zimmerman* **Tuesdays 7:00-8:30pm**

First class will be Tuesday, October 29, 2024

In this course, we'll dive deep into a fundamental, challenging question: "What is the overarching purpose of living Jewishly?" We'll discuss the responsibilities, pressures, and misconceptions that come with being called "the Chosen People." Together, we'll learn the meanings behind rituals like kashrut, symbols like mezuzah, and why Israel matters so much. A deeper understanding of "the Tribe" informs and enriches both the nation's collective actions as well as individual responses to life's big questions.

Weekly Torah Portion Class *with Rabbi Zimmerman*

Thursdays 11:30am-12:30

Resuming October 31, 2024

Grab a cup of coffee and snack and join Rabbi Mark and friends online for a lively weekly study session on the weekly Torah portion and current events. New participants are always welcome, and no previous knowledge required. Open to the community. Drop in anytime!

Lunch and Learn *with Rabbi Feld*

Tuesdays, 11:30am to 12:30pm

What do the prayers actually mean?" Bring your lunch and enjoy some food for the soul with Rabbi Eric. Learn the purpose of the different Jewish prayer services, their meaning, and how they can help us to open our hearts. New participants are always welcome, and no previous knowledge required. Open to the community. Drop in anytime!

Essential Talmud *with Rabbi Feld*

Weekly on Monday evenings starting October 28, 2024 **at 8:30pm. Free to members.**

Join Rabbi Eric online to learn the most important stories from the Talmud.

ALL CLASSES ARE ON ZOOM! Check out the Beth Shalom website for additional classes and to register.

As members for 25 of those years, we have been privileged to witness and be part of the growth, warmth, and spirit that define this community. Being part of Congregation Beth Shalom has enriched our lives in countless ways, from the friendships we've formed to the meaningful traditions we've shared. Here's to many more years of simchas

Weinberg Elder Law, LLC and the Weinberg Family

Weinberg Elder Law focuses its practice on protecting our most vulnerable and treasured populations. We help families find legal solutions to protect their loved ones from harm, and we will engage the courts to resolve disputes when their well-being has been threatened.

Guardianships & Conservatorships:

When individuals lack the capacity to make decisions on their own, courts can create Guardianships and Conservatorships to protect these vulnerable adults from poor decision-making.

Dispute Resolution & Fiduciary Litigation:

When fiduciaries fail to carry out their designated responsibilities caring for vulnerable populations, it may become necessary to formally call their actions into question before a mediator or the courts.

Elder Law & Elder Abuse Protection:

When an elderly or disabled individual cannot protect themselves from their Guardians, Fiduciaries, or the world generally, intervention is required to restore the security of this vulnerable person and prevent further abuse.

Diane Weinberg is a Martindale-Hubbell AV Preeminent-rated attorney, has an AVVO rating of 10/10 and has been recognized as a Georgia Super Lawyer since 2020.
